Shop

Ready to redeem your points? Head over to the “Shop” section to browse through our selection of products. Use the filters to narrow down your search by affordability, product name, or category. Sort items from lowest to highest points and vice versa.

Once you find what you’re looking for, simply add it to your basket. Need more info? Click on the item title to view its product page on our website. When you’re ready to check out, click on the checkout button. You can review the details of your selection in your Dashboard under “Display invoices with Points”.

The screenshot displays the NLSU Program Shop interface. At the top, it says "NLSU Program Shop". Below this are search filters: "Filter by My Points", a search bar with "glove" entered, "Filter By Categories", and "Ranking By Points" set to "Highest to Lowest". There are four product cards, each with an image, title, quantity, price in points, and an "Add to Cart" button with quantity controls.
